Collaboration Category

WP 2590

Any two or more artists from any visual arts discipline can combine to create a 2-dimensional or 3-dimensional work. All entries in this category will be part of the Viewer’s Choice awards and will be adjudicated by appropriate adjudicators.

Submissions must be the **original creation of the submitter**. The work must be **two-dimensional** (drawing, mixed media) and there are no size restrictions. **The medium (pencil, charcoal, pastel etc.) must be filled in on the entry form.**

Work should have a minimum 2 cm border for handling purposes. Please have artwork matted, framed, or backed with cardboard and shrink-wrapped. (A simple wrap can be made using plastic food wrap secured with hot air from a hair dryer).

An artist statement of fewer than 75 words to explain the work, must be included on the entry form. A photograph, photocopy or sketch of the work must be included with the entry form, for identification purposes.

Adjudication

Critiques will be scheduled during Festival Week. Each entrant will be notified regarding their time(s) for adjudication. Times are posted in the pull-out program included in the local newspaper. Artists are encouraged to attend

their adjudication. Please notify the visual arts coordinator if you are unable to attend your adjudication time.
