**WP 2590** - Any two or more artists from any visual arts discipline can combine to create a 2-dimensional or 3-dimensional work. All entries in this category will be eligible for the Viewer's Choice awards and will be adjudicated by appropriate adjudicators.

**Digitally Manipulated** Means significant alterations, more than just standard touch-up, color correction etc. Any photographs with standard adjustments should be entered under the regular categories.

Submissions must be **Original Photographs**, black & white or color with a minimum size of 8x10. Please have photography framed, matted or backed with cardboard and shrink wrapped. Include an artist description of fewer than 75 words. The description should include type of camera/lens used, exposure value, ISO setting and if any filters were used.

**Please Note:** Artists are limited to **2** submissions in any **one** category.

**Adjudication:** Critiques will be scheduled during festival week. Each entrant will be advised of their scheduled time(s). Photographers are encouraged to attend to receive positive feedback of their work. If unable to attend, please notify the photography coordinator in advance.

**Please submit a photograph or photocopy of each original work entered, along with the entry form.**
